## **Section 1101. Policy Statement**

- (a) The Town of West Jefferson is committed to preserving the culture, the history, and the beauty of the Town.
- (b) The Town of West Jefferson is committed to supporting the businesses of the Town.
- (c) Every business has the right to have signage that effectively identifies its location to customers, as well as the goods and/or services it provides.
- (d) Collectively, too many signs, or poorly maintained signs, can harm the overall economic vitality of the Town.
- (e) Therefore, the purpose of this Article is:
  - (1) To provide uniform sign standards that promote the culture, the history, and the beauty of the Town.
  - (2) To provide uniform sign standards that allow each business to effectively identify its location to customers, as well as the goods and/or services it provides.
  - (3) To balance the individual interest of a business to effective signage with the governmental interest of promoting the economic vitality of the Town as a whole.

## **Section 1102. Scope of this Article.**

This Article shall apply to all signs located within the zoning jurisdiction of the Town of West Jefferson, unless excluded by Section 1104.

## Section 1103. Definitions.

### (a) Words and phrases.

#### (1) Area of the sign:

(A) The area of a sign shall be considered to include all lettering, wording, and accompanying design and symbols, together with the background on which they are displayed, any frame around the sign, and any cutouts or extensions, but shall not include any supporting or bracing. In the case of a multi-faced sign, the area of the sign shall be considered to include all faces visible in any one direction.

(B) The area of a wall or window sign consisting of letters, numbers, symbols and/or graphics attached to or painted on a surface, building, wall, or window, shall be considered to be that of the smallest rectangle or triangle which encompasses all of the letters, numbers, symbols and/or graphics.

(2) **Backlighting:** Illumination of a sign in which lights are placed within or behind raised opaque letters, thereby casting light upon the background of the letters rather than through the letters.

(3) **Big Box Store:** a physically large retail establishment having a box like structure, usually part of a chain, characterized by a large amount of floor space (generally more than 20,000 square feet). These stores include general merchandise, specialty stores, and grocery stores. (added 1-7-19)

(4) **Business:** A business shall be any establishment which (A) conducts and maintains a separate and distinct commercial function and (B) maintains a separate and distinct set of financial records for tax purposes.

(5) **Civic Organization:** any local service club, veterans' post, fraternal society or association, volunteer fire or rescue groups, or local civic league or association of 10 or more persons not organized for profit but operated exclusively for educational or charitable purposes as defined herein, including the promotion of community welfare, and the net earnings of which are devoted exclusively to charitable, educational, recreational or social welfare purposes. (added 1-7-19)

(6) **Roof Line:** The top edge of a roof or building parapet, whichever is higher, excluding any cupolas, pylons, chimneys, or minor projections.

- (7) **Shopping Center:** A building or group of buildings, either connected or free-standing, designed and functioning as a shopping center with common parking, pedestrian movement, ingress, and egress, and is used or is intended to be used primarily for the retail sale of goods and services to the public.
- (8) **Sign:** Any display of letters, words, numbers, figures, devices, emblems, pictures, or any means whereby the same are made visible for the purpose of making anything known, whether such display be made on, attached to, or as part of a structure, surface, or any other thing, including, but not limited to, the ground, a rock, tree, or other natural object. This definition of a “sign” does not include holiday decorations, the flag or emblem of any nation, state, city, religious, fraternal or civic organization; nor merchandise and pictures or models of products incorporated in a window display; nor works of art which in no way identify a product; nor scoreboards located on athletic fields.
- (9) **Sign Column:** One or more columns, posts or poles that supports a sign.
- (10) **Sign Height.** The distance between the average grade of the land beneath the sign and the top of the highest attached component of the sign.
- (11) **Sign Structure.** Any structure that is built to support, supports, or has supported a sign.
- (12) **Sign Value.** The value for tax purposes of any sign so listed. If tax value is not available, the value shall mean the original cost of the sign. In the absence of information as to original cost submitted by the sign owner, the Zoning Enforcement Officer shall estimate the original cost based upon the best information reasonably available.
- (13) **Signable Space:** Signable space means the area of a building face on which a sign may be placed, including fronting wall or gable space. The size of this area shall equal the total square footage of the area from the ground to the roof line (not including the roof itself), to the line on each wall of the business where the business starts and stops, less the total combined area of windows, doors and dormers.

**(b) Types of Signs.**

- (1) **Awning Sign:** Any sign that is a part of or attached to an awning, canopy, or other structural protective covering above a door, entrance, window, or walkway. An awning sign is a type of attached sign.
- (2) **Billboard/Poster Board:** A sign identifying, advertising and/or directing the public to a business, merchandise, service, entertainment, or product which is located at a place other than the property on which such sign is located. These signs are also known as off-premises, outdoor advertising signs.
- (3) **Business Identification Signs:** Flat mounted signs which are placed on multi-use buildings to identify tenants.
- (4) **Construction Signs:** Signs which identify firms and/or builders and which are erected on the premises of the construction site during the period of construction.
- (5) **Direction Signs:** A sign which is located off-premises and indicates the location of public buildings, parks, schools, hospitals, scenic places or historic places.
- (6) **Directory Signs:** A sign listing the names of more than one business, activity, or professional office conducted within a building, group of buildings, or commercial center.
- (7) **Festival Lights:** Signs which are placed to commemorate and/or attract attention to a recognized festival within the Town of West Jefferson.
- (8) **Gasoline Pump Signs:** Signs attached to a gasoline pump which only contain information related to the sale of gas such as self-service, instructions, price, fuel, and/or emblem/trade name.
- (9) **Ground-mounted Sign:** A freestanding sign, supported by a contiguous structural base or planter box that is permanently affixed to the ground, shall be considered a ground mounted sign.
- (10) **Historic Signs:** Any sign erected within the Town of West Jefferson prior to January 1, 1980.
- (11) **Holiday Decorations:** The decorations normally associated with the holiday season from November to January.

- (12) **Internally Illuminated Sign:** A sign where the source of the illumination is inside the sign and light emanates through the message of the sign, rather than being reflected off the surface of the sign from an external source. Without limiting the generality of the foregoing, signs that consist of or contain tubes that (i) are filled with neon or some other gas that glows when an electric current passes through it and (ii) are intended to form or constitute all or part of the message of the sign, rather than merely providing illumination to other parts of the sign that contain the message, shall also be considered internally illuminated signs.
- (13) **Message Board Sign.** A sign or portion thereof with characters, letters, or illustrations that can be changed or rearranged without altering the face or the surface of the sign. A sign on which the only copy that changes is an electronic or mechanical indication of time or temperature shall be considered a “time and temperature” portion of a sign and not a message board sign for purposes of this Section.
- (14) **No Trespassing/No Loitering Signs:** Such signs and similar ones, which are placed to inform the public of private regulations.
- (15) **Off Site Sign:** A sign that is not located on the property of the business.
- (16) **Political Sign:** A sign that announces the candidacy of a person or slate of persons running for elective office, or a political party, or an issue.
- (17) **Portable Sign:** Any sign designed or intended to be moved from one location to another. This definition does NOT include signs on vehicles, wheels, trailers, or truck beds.
- (18) **Private Traffic Directional Signs:** Signs such as in/out, do not enter, entrance/exit, etc., which are placed on private property to direct and control vehicular traffic.
- (19) **Projecting Sign:** A sign that is attached to a building wall with the face of the sign perpendicular to the building wall.
- (20) **Public Service Signs:** Signs displayed for the direction or the convenience of the public such as signs for restrooms, public telephones, and the like.
- (21) **Real Estate Signs:** Signs which advertise the sale and/or lease of the property on which said sign is located.
- (22) **Residential Signs:** A sign bearing only the name of the principal occupant of a residence, the lot number, house name and/or city in which owner resides.

- (23) **Roof Sign.** Any sign erected, constructed, or maintained upon or over the roof of a building, or extending above the highest wall of the building, and having its principal support on the roof or walls of the building. A roof sign is a type of attached sign.
- (24) **Seasonal Signs.** Signs for a business that provides goods and/or services to the public for no more than three months per calendar year.
- (25) **Temporary Signs:** Signs or advertising display constructed of cloth, canvas, fabric, plastic, paper, plywood, or other material and intended to be displayed for a short period of time to inform the public of a special event of a commercial, religious, charitable, civil, fraternal or public interest nature.
- (26) **Wall Sign:** Any sign attached to or erected against or within the wall of a building or structure, having the exposed face of the sign in a plane parallel to the plane of such wall. A wall sign is a type of attached sign.
- (27) **Window Sign:** Any sign which is painted on or affixed to a glass window or glass door.
- (28) **Subdivision Real Estate For Sale Sign:** A sign that advertises for sale lots within a residential subdivision. (*amendment added 12-7-15*)

**(c) Signs Defined by method of attachment.**

- (1) **Attached Sign:** A sign which is attached to a building or attached to the top of a canopy or the cantilevered roof. This includes:
  - (A) A **Painted Wall Sign** that is painted directly on any exterior building wall or door surface, exclusive of window and door glass areas.
  - (B) A **Projecting Sign.**
- (2) **Detached Sign:** A sign supported by a sign structure placed in the ground and which is wholly independent of any building, fence, or object other than the sign structure for support.

  - (2) A sign that conforms to the provisions of this Article at the time it is erected, but which does not conform to an amendment of this Article enacted subsequent to the erection of said sign, is declared to be a non-conforming sign.
  - (3) Any sign erected after the passage of this Article must meet all the criteria of this Article, including all amendments thereto.
- (b) Within the time frame for removal of non-conforming signs set out in this section, such signs:
- (1) Shall not be changed or replaced with another non-conforming sign or copy.
  - (2) Shall not be expanded or relocated.
  - (3) Shall not be re-established after damage or destruction in excess of sixty (60%) percent of the value at the time of damage or destruction.
  - (4) Shall not be modified in any way which increases their degree of non-conformity.

(c) Removal of Non-Conforming Signs.

- (1) All conforming signs which are made non-conforming as a result of an amendment to this Article enacted AFTER July 1, 2013 shall be removed, changed, or altered to conform to this Article within 3 years from the date said amendment was enacted. ~~This subsection does not apply to signs covered by (e)-(1) above.~~
- (2) All signs which are located on property brought into the Town pursuant to the voluntary annexation procedure, and which are non-conforming, shall be removed, changed, or altered to conform to this Article within one year from the effective date of the annexation.
- (3) A Billboard that exists prior to July 1, 2013 is allowed to continue so long as it is in compliance with Section 1112 on Maintenance of Signs. *(revised 4-2-18)*

**Section 1115. Permit Required.**

With the exception of those signs specifically exempt by **Section 1104**, no sign or mural shall be erected without a sign or mural Permit issued by the Town.

(a) An application for a sign or mural Permit shall be submitted on a form obtained from the Zoning Enforcement Officer. Each application shall:

- (1) Indicate the proposed site by identifying the property by ownership, location, and use.
- (2) Show the location of the sign on the lot in relation to property lines and building, zoning district boundaries, right-of-way lines, and existing signs.
- (3) Show size, character, complete structural specifications and methods of anchoring and support.
- (4) Include a copy of the deed to the real estate upon which the sign is to be located.
- (5) Indicate the type of commercial sign as described in **Section 1106** herein.

(b) If conditions warrant, the Zoning Enforcement Officer may require such additional information as will enable him to determine if such sign is to be erected in conformance with this Article.

(c) Each sign owner shall pay the applicable permit fee prior to the issuance of the permit.

**Section 1116. Miscellaneous.**

**(a) Sign height computation.** The height of a sign shall be computed as the distance between the average grade of the land beneath the sign and the top of the highest attached

**(b) Maintenance of landscaping.** The landscaped area at the base of a sign shall be maintained in good condition at all times. The property owner shall be responsible for the landscaped area. Any dead, unhealthy, missing, or disfigured vegetation shall be replaced with healthy vegetation.

**Section 1117. Severability.**

If any section of this Article is held to be invalid or unenforceable, all other Sections shall continue in full force and effect.

**Section 1118. Effective Date.**

This Article shall be effective on July 1, 2013.
